Designation Notice

Employee’s Name ________________________  Location _____________________  Date _______

We have reviewed your leave of absence request that you provided on _________(date) and decided that:

___ Your FMLA leave request is approved. All leave taken for this reason will be designated as FMLA leave.
  
  • If you take leave, as requested, from _____(date) to ______(date), then __________ (hours, days, weeks, or months) will be counted against the maximum FMLA leave available to you. Please advise your supervisor of any changes in your scheduled leave dates.

  • You may use paid leave (vacation, sick pay) or apply for disability benefits, where applicable per Archdiocesan leave policy, but this paid leave will count against your FMLA leave entitlement.

  • In order to return to work, all employees returning from medical leave must present a doctor’s note fully releasing them to return to work. If your doctor releases you to return to work with any restrictions, a decision about your return to work will be evaluated based on the list of essential job duties. You must present the doctor’s full release confirming your fitness for duty and ability to perform the essential job functions before you can return to work.

___ Additional information is needed to determine if your FMLA request can be approved, specifically: _____________________________________________________.

___ Your FMLA Leave Request is not approved because:
