## **Appendix D – Los Angeles County Protocols for Office Worksites February 18, 2021**

As the past guidelines of the Archdiocese have indicated, every parish in Los Angeles County must complete and post Protocols for Social Distancing, Appendix A at the Church.

In addition, every parish in Los Angeles County must complete and post the Protocols for Office Worksites, Appendix D in the parish office. Although these Appendices are similar and overlap in many respects, the LA County Health Department has advised that both should be posted for Places of Worship.

Please complete and post Appendix A in a conspicuous place at the entrance to the Church.

Appendix A can be found here:
