

Loving Jesus,

*Walk with us as we make our journey
through the desert of this Lenten season.*

*When we feel lost and alone, help us to hear your
tender voice calling our name. When we encounter
the brokenness in our world, inspire us to respond
with generous hearts and kind words. When we
are distracted by the noise of this world, enable us
to depend on you for answers. In all moments, teach
us to trust in you so that as we make our earthly
journey we may come to know of your love and
mercy and one day soak in the heavenly light
with you forever.*

Jesus, I trust in you.

AMEN.
