

LET'S PARTNER

Every day children of all ages are removed from their homes in your community through no fault of their own. Sadly, 70% of children who are victims of sex trafficking have been or are in foster care and 36% of emancipated foster youth become homeless. As a leader in the recruitment of families for foster children, **FosterAll** provides professional guidance and support through the fostering process and operates more than 100 Foster Care Programs in faith communities across Southern California.

YOUR GUIDE TO FOSTER CARE

Did you know there are a multitude of foster family agencies providing foster parent approval? Each is different in training, services, location, language capabilities and more. **FosterAll** navigates the foster care system for you and connects interested families from your congregation to the foster care family agency that best suits them.

INVOLVE YOUR CONGREGATION

FosterAll educates your congregation about the needs of foster children and offers hands-on opportunities for them to make a difference. Learn about all the different activities you can choose from to wrap around foster children and transform their lives through acts of kindness.
