We invite you to please keep these individuals in your prayers. Also, please refer to section 5.13.5 Procedures for Ministerial Faculties and Approvals of The Priest Personnel Policies and Guidelines in The Administrative Handbook for more detailed information on requests for short-term faculties and granting permission for single events to visiting priests at your parishes. All visiting priests should present a valid Statement of Suitability for Ministry from their bishop/superior attesting to their good standing as a priest.

It would also be helpful if parish leadership would assure the dissemination of this notice to all parish groups, especially the Charismatic Prayer Groups, who invite priests for special events with the consent of the Pastor/Administrator. Lastly, please inform us if you have any concerns about anyone who claims to be a priest.
