

# Cards of Hope for CHRISTMAS

**JOIN US FOR AN ELEMENTARY LEVEL, CATECHIST & TEACHER MAKER WORKSHOP**

This hands-on virtual workshop is intended for catechists and teachers who minister to children of elementary age (from 6-11 years old), where they will learn to make a pop-up Christmas card filled with words of hope and encouragement. They will, in turn, teach the children in their ministry how to make a card of their own as a way to share their love for Jesus with others in our communities. Each card will be distributed by one of the archdiocesan Religious Sisters to those living in isolation due to the pandemic.

**IMPORTANT:** By registering for this workshop, you agree to collaborate in the Cards of Hope for Christmas project, that will deliver hand-made Christmas cards to the elderly in our archdiocese who are isolated due to the pandemic.

**When:** Thursday, December 9th, 2021

**Time:** 6:30 to 8:00 pm

**Cost:** FREE (Each participant must provide his/her own materials; see list in back of this flyer.)

**How:** Workshop conducted virtually via Zoom  
(Link will be provided via email to all participants.)
