Wednesday, September 21, 2022

As you prepare to participate in the inter-congregational contemplative dialogue breakout session, these guidelines may be helpful for you:

QUESTION FOR REFLECTION

What is your greatest blessing and challenge in the call to leadership in this particular time?

1. (2 minutes) **Pause.**

Spend a moment in silence to reflect upon the question.

2. (12 minutes) **Sharing My Wisdom**

Introduce yourself to others in your group

Each share the piece of wisdom, 3-5 sentences. This moment is wisdom sharing from each person, be mindful that it is not a time to dialogue.

3. (8 minutes) **What We Are Seeing**

When the group is ready, move into the conversation. Say something about what the group is seeing and hearing about the blessings and challenges of leadership. What is the meaning unfolding among us that is shared by all of us? What new possibility is arising here?

4. (5 minutes) **Submit 2 Key Points**

What are the two of the most important points the group agrees is best captured to bring forward? Write down on the paper provided.
