GRIEF TO GRACE

HEALING RETREAT

AUGUST 29 - SEPTEMBER 3
OCEANSIDE, CA

Grief to Grace is a week-long program for anyone who has suffered physical, sexual, emotional, or spiritual abuse, whether in childhood, adolescence, or adulthood.

Professional therapeutic staff will engage you in a program of Living Scripture exercises, therapeutic facilitation, cognitive restructuring, and grief work.

Centered on Jesus Christ, our week-long retreat approach combines a comprehensive understanding of medical and psychological principles with professional excellence and compassion.

Grief to Grace is a Catholic program open to people of all faiths.

This retreat is organized by **The Seraphim Project**, a registered 501(c)(3) non-profit organization that provides resources to support the healing of sexual abuse survivors through Christ-centered healing.
