

Basic California Catechist Certification

PRACTICUM PHASE – OBSERVATION FORM

Two observations are required for this part of the practicum

This form is to be completed by the candidate seeking Basic Catechist Certification

INSTRUCTIONS: Please familiarize yourself with this form before you observe the session. Spend some time with the catechist you are observing to fill-out the preliminary information. The purpose of these observations is to give you an opportunity to see how experienced catechists conduct catechetical sessions. After the session share your notes and insights with the catechist you observed. Your two observation forms along with the evaluation form need to be presented to your program coordinator to complete and sign the final section of the formation transcript.
