Collection Drive Suggestions

- Consider focusing your drive on a couple of specific items
For example, cookies & crackers or toothpaste & toothbrushes
- Individual wrapped bars of soap, paper towels and toilet paper. Paper plates should be small packages.
- Items are placed in boxes, so it is helpful to have packages no larger than 3 lbs.
- Items should not be packaged in glass or material that could tear or leak.
- Smaller 3 lbs-sized packages of sugar and flour are most helpful.
- We tend to run short on boxed cereals.
- You may want to run a toy drive for children.
- Instead of canned or nonperishable food, consider collecting **grocery gift cards** from each family at your school. Nearby grocery markets are Target, Smart N Final, Ralphs, Food for Less, Vons, Northgate, Albertsons.
