GRATITUDE AND GRACE

A LETTER OF THANKS FROM ARCHBISHOP JOSÉ H. GOMEZ

Dear Brothers and Sisters,

This July, the final group of parishes closed out their participation in the *Called to Renew* campaign, completing our years-long effort to ensure our parishes, schools, and ministries continue to be able to grow and to make critical investments to serve our children, families, and neighbors for years to come. Our theme, *Called to Renew*, emphasized my desire for this to be not just a capital campaign, but also a spiritual renewal for our community of faith.

For nearly six years, I have prayed alongside all of you, thanking God for our success and asking that our efforts continue to inspire all parishioners to renew their spiritual commitment and sense of responsibility for the mission and future of the Church. I am humbled to share that more than 65,000 people committed to the *Called to Renew* campaign, raising \$552 million in commitments.

Every time we talk about the campaign, I am reminded of the accomplishments of an individual parish, the outstanding generosity of a family, the incredible dedication of a pastor, or the perseverance of a parish volunteer. This accomplishment is a testament to our faith community and our commitment to the future of our local Church and the ministries that serve so many, especially those in need.

I will always appreciate your willingness to come together as sons and daughters in the family of God, the Church. Together in the Church, we carry on the mission of Jesus, enabling us to accomplish incredible things.

I entrust all of us to the tender heart of Our Blessed Mother Mary, and I ask that Our Lord grant you peace and joy,

+ José H. Gomez

EMBRACING GENEROSITY

Dear Friends,

We are sending you this report from the Office of Development to share the incredible generosity and support of the faithful in the Archdiocese of Los Angeles.

Our goal for *Called to Renew* was \$500 million, and we exceeded that goal. We made history!

We began this campaign many years ago. For all these years, we stayed committed to the particular goals of helping to support parishes, schools, the House of Prayer, our seminary, and ministries at colleges and universities. The call to serve our brothers and sisters, especially those in need, is an obligation we not only enjoy, but also take very seriously in the Archdiocese of Los Angeles. We see our success as an expression of the generosity of all of you, and we are all so grateful.

We must continue to ask our God to bless the work and ministries throughout the Archdiocese. His response is always beyond

our imagination and a blessing for us all. We especially want to thank the pastors of our parishes for their generous support of the campaign and Archbishop Gomez for his continued leadership and dedication.

Let us support the great work being done in our parishes, schools, and the Archdiocese of Los Angeles as we continue to serve the needs of our community, especially the poor.

I appreciate your support.

Sincerely,

Msgr. Lloyd Torgerson

Dear Friends,

When Archbishop Gomez asked me to work with him on *Called to Renew*, I viewed his request as a daunting honor. While I was most grateful for the opportunity to take a leadership role in this extraordinary challenge, I knew it was a monumental task, especially in the midst of a worldwide pandemic. However, today, *Called to Renew* is the single greatest fundraising accomplishment for diocesan ministries in our nation.

Please take time to absorb the campaign statistics shared in this report. I am sure you will find joy and pride in what our Church in Los Angeles has accomplished.

The campaign has exceeded our expectations, delivering substantial benefits and impacting more than four million Catholics in California. The generosity we witnessed over the past six years has renewed our faith and led to significant improvements in our spiritual homes, creating more meaningful places to worship.

This parish-centric campaign was about parishioners who believed their goals were possible — parishioners who were successful because of the vision of their pastors and the commitment that the efforts were on behalf of the parishes. Pastors made new connections and new friends. Most parishes exceeded their fundraising goals, and our dedicated priests contributed more than \$2.7 million.

I believe that gratitude unlocks the fullness of life. It turns what we have into enough and more. It turns denial into acceptance, chaos into order, and confusion into clarity. Gratitude makes sense of our past, brings peace for today, and creates a vision for tomorrow.

The vision of the campaign was renewal. This vision has been realized, and my gratitude will last forever.

EXECUTIVE DIRECTOR, CALLED TO RENEW

Judy Brooks **Executive Director,** ***Called to Renew***

HISTORIC CAMPAIGN RAISES MORE THAN \$552 MILLION

As of August 2023, *Called to Renew* has raised more than \$552 million in cash and pledges, and we are deeply grateful to all who helped make *Called to Renew* a resounding success.

Called to Renew relied on a parish-centric approach. Each parish was assigned a goal that was 130% of their 2017 offertory to ensure equal opportunity for success. Pastors collaborated with campaign directors and volunteers to develop compelling cases for support, which helped ensure success in achieving their goals. The process empowered parishioners to witness the impact of their own generosity, making them the true beneficiaries of the campaign.

Called to Renew witnessed extraordinary and heartwarming acts of generosity. An anonymous multimillion-dollar pledge inspired others to give at the leadership level; an elderly woman selflessly donated more than \$10,000 from her savings to her parish campaign. After launching the campaign, Archbishop Gomez led by example, inviting fellow bishops, priests, and faithful Catholics to join him in pledging their support. The response was tremendous, with 298 priests and 170 deacons contributing, and more than 65,000 families showing their love for their parish through heartfelt contributions.

Clergy rally behind *Called to Renew*

A cornerstone of *Called to Renew* was inviting all members of the Archdiocese — including our dedicated clergy — to support our efforts to renew the Church. Together, priests and deacons pledged \$4.4 million to the campaign. Their generosity underscores the importance of *Called to Renew* to the ordained men who have chosen to dedicate their lives to serving us and the Church.

Many of the 298 priests who pledged \$2,724,943 to the mission and future of the Archdiocese extended their generosity beyond the parishes they shepherd. Their commitment reflects their devotion to building God's kingdom here on earth.

Deacons also played an integral role in *Called to Renew's* success, with 170 deacons pledging \$1,706,500. These contributions exemplify their faithfulness as a servant of Christ.

Commemorating the 250th Anniversary of the founding of Mission San Gabriel Arcángel

To mark the 250th anniversary of the founding of Mission San Gabriel Arcángel by St. Junipero Serra, Archbishop Gomez called on the faithful of the Archdiocese of Los Angeles to celebrate Forward in Mission, a Jubilee Year from September 11, 2021, to September 10, 2022. Mission San Gabriel Arcángel was the first church in what is now the Archdiocese of Los Angeles.

Special Masses, parish experiences, and ongoing formation for mission took place throughout the Jubilee Year, which united pilgrims with the missionary spirit of Our Lady of Guadalupe, the Star of the New Evangelization, and St. Junipero Serra.

“The aim of the Jubilee Year is not simply to celebrate the past, but to proclaim the Gospel of Jesus Christ anew and raise up a new generation of missionaries for our time.”

- Father Parker Sandoval, Vice Chancellor and Senior Director for Ministerial Services for the Archdiocese of Los Angeles.

JUBILEE YEAR

“This Holy Year is not about the past. We look back with gratitude and wonder for God’s blessings, but we move always forward with confidence that God will show us even greater things than these in the future. This mission that began 250 years ago with the missionaries and natives is still far from finished. There is much work to be done.”

- Archbishop José H. Gomez

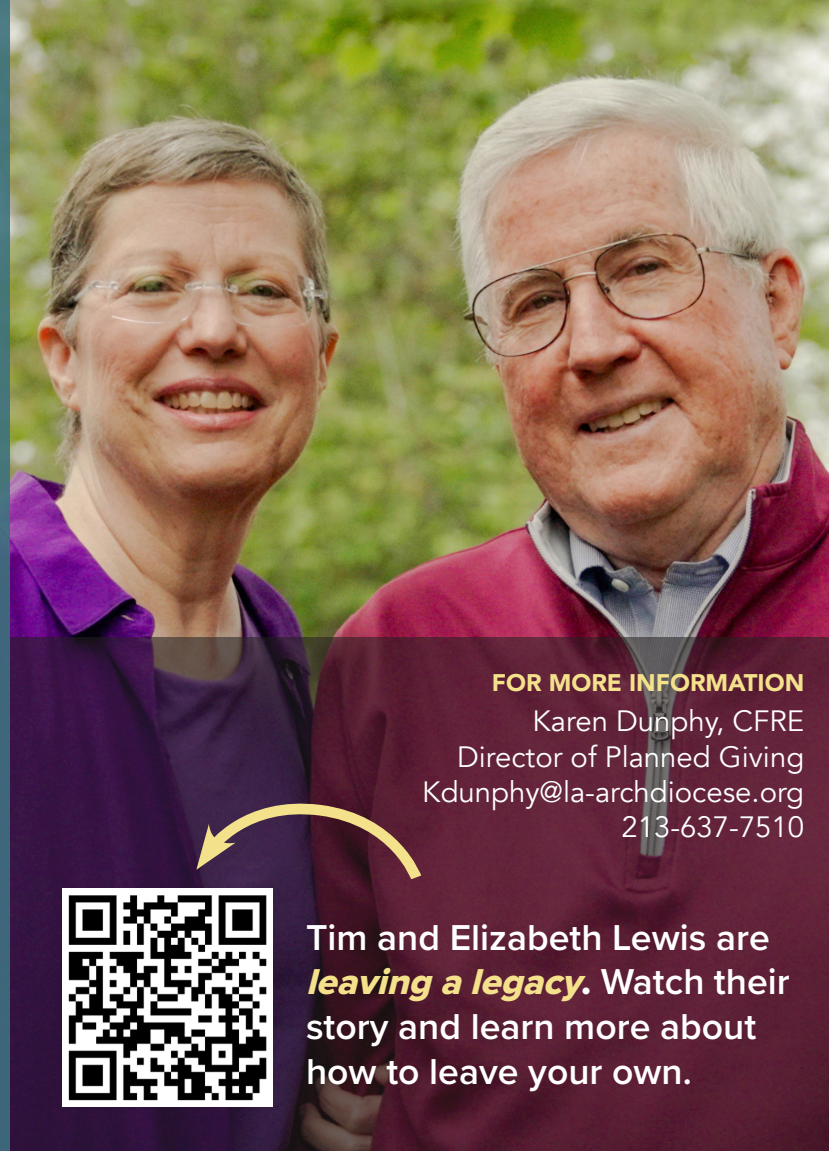

Empowering the future through planned giving

In 2022, the Office of Planned Giving helped forge legacies through 65 realized planned gifts totaling **\$9.24 million**. These distributions are a testament to the enduring impact of planned giving on our community of faith.

Through a strategic and comprehensive approach, we engaged donors in meaningful conversations about estate planning, charitable gifts, and bequests.

We extend heartfelt appreciation to all who contributed to our mission as, together, we are forging a brighter future for the spiritual and material well-being of those who live and worship in our Archdiocese.

Since 1987, the Catholic Education Foundation of Los Angeles (CEF) has been dedicated to ensuring that a Catholic education remains accessible and affordable for a diverse range of students. Throughout the years, CEF has provided 215,000 tuition awards, for a total of \$242 million in tuition assistance to families in need, allowing children from economically disadvantaged households to attend our 216 Catholic elementary and high schools.

In 2022, CEF issued over 15,400 tuition awards, totaling more than \$21 million in aid and exemplifying our commitment to supporting a quality Catholic education for deserving students.

We extend our sincere gratitude to the many donors, partners, and supporters who helped make these accomplishments possible. Together, we have made a profound difference in the lives of countless students, empowering them with the gift of education and hope for a brighter future.

Honoring a legacy of leadership at the Catholic Education Foundation

On October 22, 2022, CEF celebrated its 35th anniversary at SoFi Stadium in Inglewood.

In addition to honoring the legacy of our six past presidents, CEF welcomed Colleen Roohan, who began her presidency in July 2022.

I am indebted to the community that saw me grow and the key stakeholders that helped me along the way. Coming from a family of four, we struggled to make ends meet, and CEF made it possible for me to remain enrolled in Catholic school and graduate from high school.
