Vision and Skills for Faith Formation (VSFF) Cohort 5—Summer 2024

A formation based on the philosophy of missionary discipleship, accompaniment with adults at the center and the catechumenate model for catechesis.

This formation builds on the process of accompaniment introduced and modeled in the One Mission One Faith (OMOF) basic formation. Each participant will be paired with a mentor-companion and assigned to a small group of mentees-companions in ministry. Together they will journey through the process aimed to gaining the vision and presenting skills for making missionary disciples. The terms 'mentor-companion' and 'mentee-companion' are used to distinguish roles and acknowledge the reciprocity of companionship along the way.

VSFF is a training opportunity for anyone involved in Faith formation programs in their parish. It will equip leaders with the knowledge and skills to be witnesses of the faith and to accompany those they serve (adults, families, young adults, youth, and children) in their journey of missionary discipleship with adult faith formation at the center.

Prerequisite for certification (re): Completion of One Mission One Faith before attending this course. **VSFF** is the second phase in the process of becoming a certified catechist, although a participant may take the course for enriching formation in any parish ministry.

FORMATION COMPONENTS:

VSFF is composed of Zoom Live sessions and online sessions. The components of each session are prayer, presentations, video recordings, readings, online forums, group projects, small-group conversation, etc.
