2. PRAY

In the gospel we hear of how Jesus and the disciples encountered a storm, and Jesus calmed it. Worries and concerns are part of our daily lives. We encounter unplanned events, difficult situations, etc. Like the disciples in the gospel, we too can bring our worries, troubles, concerns to Jesus.

Take some time to reflect on the following question:

- ◇ A time when you have relied on Jesus to get you through a "storm". How was that for you?

Share with us how you are living out your faith at home. Use #LACatholicsBelieve and tag @OREinADLA on social media.

- ◇ What is weighing on your heart right now? What is something that has you worried/concerned?

After a time of personal reflection, spend some time talking to Jesus and sharing with him your worries/troubles and surrendering them to him.

You can also listen to [this song](#) as you spend time in prayer with Jesus.

3. TALK

Share with your family or a friend:

We can bring our worries and concerns to Jesus in prayer. Jesus will hear our cries for help. We can also share our worries with one another. Share with your family or a friend:

- ◇ A time when you have relied on Jesus to get you through a "storm". How was that for you?
- ◇ What is weighing on your heart right now? What is something that has you worried/concerned?

After sharing, take some time to pray together. Pray that Jesus will help you have faith in God's love and protection.
