From the Regional Coordinators

Dear ADLA Pastors and Associates,

Summer is a wonderful time to encourage PCLs to explore enrichment programs such as catechist formation workshops occurring in our various regions. We invite you to share with all your ministry leaders the dates for the upcoming Regional Congresses. Registration period will open in late summer.

A selection of workshops provides ministry leaders and parishioners with an opportunity to learn something new and grow in their faith. We share in our gratitude for the support you continue to provide to the laity of your parishes working to enrich parish life through teaching, service, and accompanying others.

TIPS FOR PARISH MINISTRY

Invite a group of parishioners to participate in this course together. Set a schedule for participants to complete particular modules in the C3Lead platform before joining a gathering where the group can pray together, share insights from the course, and discuss how it is helping them grow as a disciple of Jesus. The reflection questions in the course are a great resource for these discussions. If the gatherings are held in person, don't forget the hospitality!

Our Hearts Were Burning Within Us points out that formation for liturgical life is one of the essential dimensions of adult faith formation. Liturgical formation cultivates ongoing development and maturation of a living, explicit, and fruitful Christian faith because it is a foundational aspect of Christian life. (OHWB, 89-90)

Formation for liturgical life “helps believer[s] to understand the importance of the liturgy in the Church’s life, [and] initiates [them] into the knowledge of the sacraments and into sacramental life, especially the sacrament of the Eucharist, source and summit of the life and mission of the Church” (DC 81).

Through formation for liturgical life, adults “acquire the spirituality, skills, and habits of *full, conscious, and active participation in the liturgy*, especially the eucharistic liturgy” (OHWB 92, emphasis in original), including “joy for the festive quality of celebrations, a sense of community, attentive listening to the word of God, confident prayer, praise and thanksgiving, [and] awareness of symbols and signs” (DC 82).

RESOURCE SPOTLIGHT

The Office for Divine Worship has recently introduced a new video series and online course on the Parts of the Mass. This new course (available for free in both English and Spanish) invites participants to journey deeper into the heart of the mystery we celebrate by learning the beautiful meaning of each element of the Mass, from the Introductory Rites to the Concluding Rite. Each learning path in the C3Lead platform focuses on one part of the liturgy, offering participants insightful reflections and teachings as well as opportunities for personal prayer and reflection and for exploring ways to live the liturgy in daily life.

New Pastoral Framework for Ministries with Youth and Young Adults

In June 2024, the Catholic bishops of the United States approved a National Pastoral Framework for Ministries with Youth and Young Adults entitled "Listen, Teach, Send." This text serves as the United States' response to Pope Francis' apostolic exhortation on young people, *Christus Vivit*. It is also a summons to local Catholic communities to renew and revitalize their approach to the accompaniment and evangelization of youth (in junior high and high school) and young adults (in college and in their 20s and 30s).
