

# Lunch & Learn

## Pediatric Mental Health

Please join our webinar with Dr. Maureen O'Neill and Naama Ratzersdorfer, LCSW as they discuss mental health issues in children including anxiety, depression, behavioral problems and suicidal thoughts. They'll also cover how children present differently from adults, when to seek evaluation, age-appropriate support and treatment options.

### Archdiocese of Los Angeles

Virtual Presentation

12:00pm-1:00pm

Thursday September 19, 2024

**Maureen O'Neill MD** is a Board-Certified Pediatrician and enjoys working with children of all ages and their families to ensure that children lead healthy and productive lives. She has a special interest in caring for adolescents, and volunteers in teen youth ministry where she extends her role as physician to provide emotional and spiritual support.
