CASTING OUR NETS

Making Disciples of Jesus

Bi-weekly sessions on zoom consist of short presentations, prayer, small group conversations and interactive large group processes. Sessions will build on each other as we go through the process. Active participation from each participant will enrich the formation experience. In between sessions you will be given a challenge. The challenges are designed to not only deepen your relationship with Jesus, but also inspire and transform your ministry.

The two in-person gatherings are meant to nourish your own relationship with Jesus, build community, and get to know others that are in the process. Details about time and location will be provided to you once the process begins.
